### Member Dues

- 2016 Association Memberships \$550 for one year. Annual dues for subsequent years for associate members are currently \$650.
- Spalding Woods Club is currently under evaluation for possible sale to a nearby Developer. It is anticipated that a final decision on whether the club will be sold will be reached by year's end. Associate members are not entitled to any proceeds that may come from selling the club.
- There currently are no offers for membership at SWC offered beyond the 2016 swim season
- If the club does not sale, the SWC Board will put together an SWC dues structure for 2017 and beyond

Note: Membership dues apply to both the swimming and tennis facilities at SWC. There are no separate fee structures for just-swim or just-tennis.
